

Directions for use:				
Team Worksheet - Enter the meet information (Meet #, Course Name, Date), School Name, Players' Names on this sheet. This information will be transferred to 9Hole, Rankings, and Final Rankings worksheets.				
18Hole Worksheet - Enter the course information (yardages, par). Use the top team. This will be transferred to the other teams. Enter the hole-by-hole scores on this page. Player totals, player rank, team totals and team places will be calculated and transferred back to Team worksheet and the Rankings and Final Rankings worksheets.				
Ranking Worksheet - This is used to rank the player order and the team standings. Use the macro Cmd + Option + t to automatically do the ranking.				
Final Rankings - This worksheet gives a summary of the meet - individual player order and team standings as well as the meet information.
