

Rock Rapids  
Vision, Balanced.

# ROCK RAPIDS RESIDENTS' FLOOD IMPACT & RESPONSE INPUT

This survey is being conducted by the **City of Rock Rapids** to identify and assess the current challenges, issues and needs of all of our residents and households related to recent flooding. The information will be used immediately to direct response, troubleshoot issues, request assistance and guide recovery efforts.

Please  
Respond  
**ASAP**

**SURVEY #1**

YOUR INPUT & INFORMATION IS **CRITICAL**

This is the first of 3-4 Input Surveys that will be issued over the coming days, weeks and months to help ensure that the **City of Rock Rapids** and service providers are in direct communication with you and your household.
